Dear Grant:

We are in receipt of your August 30, 2010 letter. While we are considering the points you raised, we'd like more information. You state:

"In cases where multiple bases for an attorneys' fee award exists, the case law requires that the interest rate be based upon the predominant basis for the damage award."

Could you please cite the case law to which you are referring? We have always made it our business to understand the laws and precedents that affect our case, and Lane Powell attorneys have always provided us with the cites.

We'd appreciate your sending the cites as soon as possible, via email at <mhdecoursey@gmail.com>.

Thank you in advance for your consideration.

Sincerely,
